

# Drone Flying Session Report

Name of Event :- Flying Session

Name of Club :- Aeromodelling Club

Date :- 8 September 2023 (Friday)

Time :- 6:15 PM

Venue :- OAT

Number of Students Attended :- 90-100

The Aeromodelling Club organized a captivating and educational drone flight session as a part of our club event. The session aimed to introduce the attendees to the world of drones, their applications, and the fundamentals of drone flight.

The attendees gained a better understanding of drones and their potential applications in various industries. A dedicated question and answer session allowed attendees to clarify doubts and seek further information.
