All admissions shall be made only after approval of the Chairperson, Senate on the recommendations of the duly constituted Departmental Selection Committees (DSC) and Chairperson SPGB. The DSC shall consist of at least four faculty members, at least one of whom shall be from another department/ interdisciplinary programme. The constitution of the selection committee will be proposed by the DPGC and approved by Chairperson, SPGB. 2. Departments/centres shall constitute Selection Committees for one year starting from first of September every year for selection of the candidates, belonging to different categories, viz., Sponsored, Regular, QIP, etc. 3. Admission to the M.Tech. /M.Plan. Programme may be made directly based on the GATE scores of the candidates and performance in the qualifying examination, and in addition, the candidates may also be called for written tests and/or interviews if the department so desires. The selection criteria shall be communicated to SPGB depending upon the response of the candidates. In case of CCMT common to NITs, this selection procedure will be as per CCMT procedure. 4. Admission to the Ph.D. /M.B.A./Part 	<p>It is proposed to add at point 12 as follows: Admission/Permission of exchange/joint degree students (PG) to do some course(s) or part of dissertation work in other Institutes or vice-versa will be recommended by respective DPGC and approved of SPGB.</p>

time M.Tech. /M.Plan. Programmes will be based on written test and/or interview/ presentation of the candidates short listed by the DSC. If good quality candidates are not available in this category, DPGC may decide to admit FT sponsored students in place of Part Time students.

5. The admission of Scheduled Castes/ Scheduled Tribes candidates will be decided without comparing them with the general category candidates.
6. The selected candidate, who has completed all the examinations including project/thesis examination and the viva voce before the date of registration but is unable to produce the certificate in proof of having passed and secured the minimum specified qualifying marks, may be considered for provisional admission. However, if admitted provisionally, they will be required to produce the evidence of their having passed (or at least appeared in) the qualifying degree examination by the last date of registration, failing which the admission may be cancelled.
7. The provisions in para 6 above shall not be applicable in the case of M.Tech./ M.Plan./MBA student of this institute, who has been provisionally selected for admission to a Ph.D. programme. Such students will be admitted to the Ph.D. programme subject to the condition that they must have successfully completed all the prescribed requirements including acceptance of their Thesis/Project in a particular semester by the last registration date as specified in the academic calendar.
8. On approval by the Chairperson, Senate, the Head of the Department will issue the admission letters to the candidates, who may accept the offer of admission by depositing the prescribed fee before the specified date.
9. In case a candidate does not accept the offer by paying the prescribed fee by the specified date, the offer of admission may stand withdrawn, and the admission may be offered to the candidates in the waiting list, if any, in order of merit.
10. The offer of admission may also stand withdrawn if the candidate who has accepted the offer fails to register by the date for last registration.

	place along with the regular M.Tech./M.Plan. courses.	
2.9 Admission of non degree/ exchange students	<p>Currently there are 3 points mentioned as follow:</p> <ol style="list-style-type: none"> 1. A non-degree student is a student who is registered for a degree in any other recognized institute or university in India or abroad, and who is officially sponsored by that institute or university to complete part of his/her academic requirements at MNIT. For that purpose the non-degree student may carry out Research/ Course work/and use other academic facilities as agreed upon in MoU with those Institutes/ Organizations. 2. The strength of non-degree students in any programme should not be more than 5% of the programme strength. 3. Students so admitted will be governed by all rules, regulations and discipline of the Institute. 	<p>It is proposed to modify at point 2 as follows: The strength of non-degree/exchange/ joint degree students in any programme should not be more than 50% of the programme strength.</p>
3. Financial Assistance	<p>Currently there are 4 points mentioned as follow:</p> <ol style="list-style-type: none"> 1. The Institute may provide financial assistance to postgraduate students in the form of teaching or research assistantships (referred to as Institute Assistantship). Assistantships are awarded on a semester to semester basis for a period of up to four semesters for M.Tech./M.Plan. students and up to eight semesters for Ph.D. students. The stipend for the assistantship is paid at the approved rates as notified by AICTE/MHRD from time to time. A student is expected to devote about eight hours per week towards job(s) assigned to him/her by the department. The renewal of assistantship is contingent on the student's satisfactory performance in the academic programme and in the satisfactory discharge of assistantship duties as assigned to him by the department. 2. Some financial assistantships in the form of research assistantships may also be available from sponsored research projects. Additional assistantships in the form of scholarships, fellowships, etc. may be available through other organizations, such as, the Council of Scientific and Industrial Research (CSIR)/ University Grant Commission (UGC) / Department of Atomic Energy (DAE)/ DST/ MHRD/ Corporate Houses etc. 3. A student on teaching/research assistantship may also be reimbursed some contingency expenses as per the approved terms and procedures to be notified from time to time by the institute. The reimbursement for a 	<p>It is proposed to add following point:</p> <ol style="list-style-type: none"> 5. The exchange/non-degree/joint degree students registered at MNIT may continue to avail the assistantship at MNIT while at the same time they may also avail some financial support in terms of living allowance etc. from the host institution where they go for doing their study/research work. However, any student cannot draw full fellowship/assistantship from both the Institution at the same time.

	<p>M.Tech./M.Plan. student is done only once at the time of end of his programme, and for a Ph.D. student annually for the first four years of his/her programme, if she/he is on an Institute Assistantship.</p> <p>4. In addition to the students admitted with financial assistance, students may also be admitted</p>	
<p>4. Registration</p>	<p>Currently there are 6 points mentioned as follows:</p> <ol style="list-style-type: none"> 1. All students who are not on authorized leave must continue to register in the following semester till they submit their thesis. 2. Ph.D. student, who has submitted his thesis and is waiting for the defence of the thesis, will register for zero units. He may, however, apply for leave from the Institute with permission to defend thesis while on leave. He will register with very nominal fee as applicable time to time. 3. In very special cases, a student who has completed all the experimental work and analysis related to the thesis and has completed his Open Seminar successfully and has got a job or has joined back his organization and is on authorized leave, the SPGB on the specific recommendations of the DPGC may allow submission of thesis. 4. On the recommendation of the DPGC and the approval of the SPGB, the employee of MNIT and/or QIP student registered for the Ph.D. programme who has completed the thesis unit requirements and the prescribed residence requirement, may not register in the following semester, provided they have completed experimental work related to their thesis and Open Seminar successfully. However, they will be required to submit their thesis within six months of such authorised leave (specified in section 7.1). 5. If maternity leave (granted before the date of registration) extends beyond the date of late registration and expires before the end of seven weeks from the specified date of registration in a given semester the student will be allowed to register only for thesis units. The number of units that a student will be allowed to register will be worked out on a pro-rata basis by DPGC. 6. The student in the off campus registration programme can register during the period starting one week prior to the end of the previous semester till the late registration date provided she/he has been awarded grades for the previous semester. 	<p>It is proposed to add at point (7) as follows: Registration of Exchange/Joint degree students:</p> <ol style="list-style-type: none"> (i) Part of Ph.D./M.Tech. research/ dissertation work can be done by continuing registration in the parent institution. (ii) For theory course work the students should register in the institution where course is being run. (iii) Under joint degree program, the student should do the registration in the Institution as per terms and conditions of MOU agreement.

<p>4.3 Semester load requirement</p>	<p>Currently there are 3 points mentioned as follows:</p> <ol style="list-style-type: none"> 1. A semester load usually is defined as equivalent to 19 to 21 credits. A typical structure in M. Tech./M. Plan. as is followed is given in Table 1. Thus, a student who has registered for a full semester load solely by course work is expected to register for at least 5 to 6 courses. 2. A student in the off campus registration programme when registering for thesis work to be carried out at his/her organization, can register for a maximum of 20 credits or a minimum of 08 credits during the regular semester. 3. A Student shall also deliver seminar at the end of each semester for showing the progress made during that semester on his thesis work. Dean Academics shall announce dates of presentation right at the time of registration as part of the academic calendar. 	<p>It is proposed to add a point (4) and (5) as follows:</p> <ol style="list-style-type: none"> 4. If a student registered at MNIT goes to some other Institution for doing his/her research/dissertation work under exchange/non-degree program, the work done should be accounted for a counted for the credit earned. 5. The evaluation may be done at MNIT or the host Institution involving the supervisors from the parent Institution and host Institution through web conference. The assessment as done at the host Institute shall be acceptable to both partner Institutions with whom MOU has been signed.
<p>5.7 Permission to Proceed to other Academic Institutions as Non Degree Students</p>		<p>The title of the clause 5.7 to be modified as follows: Permission to proceed to other academic Institutions as non degree/exchange/joint degree students.</p>
<p>5.7 Permission to Proceed to other Academic Institutions as non Degree/exchange/ joint degree students</p>	<p>Presently there are 10 points in clause 5.7 as follows:</p> <ol style="list-style-type: none"> I. An M. Tech./M. Plan. or a Ph.D. student who satisfies the minimum conditions laid down in para below may proceed to another academic institution in India or abroad with prior permission of the SPGB on the recommendation of the DPGC. II. Only those postgraduate students who have spent at least two semesters and have a CGPA of at least 8.0 are eligible to proceed as non-degree students elsewhere. III. For permission to spend time as a non-degree student elsewhere, an eligible student shall make a request to the SPGB through the DPGC and the thesis supervisor, duly supported by a statement of purpose to undertake the proposed work and sufficient information about the department/ institution for the purposes. IV. The DPGC will consider the student's application and will determine if the proposed programme of work is of such a nature that waiver for at least 8 units per regular semester is possible. The SPGB may approve the application on the recommendation of the DPGC. In all such cases, the student will be informed about the requirements she/he must fulfill to apply for academic credit on his/her return. V. Permission to proceed to an institution as 	<p>Point(x) to be modified and add point (xi) as follows:</p> <p>(x) when an exchange/non degree/joint degree program student goes for study/research work in an Institution/ University with which MNIT has MOU/agreement for academic collaboration, the transfer of credit earned by the student in the host/partner Institution/University, will be taken into consideration for the award of the degree based on the evaluation received from partner Institution/University. In such cases, stay period and credit earned by the student in the host/partner Institution/University will be taken into consideration towards minimum stay period and minimum credit requirement at MNIT.</p> <p>(xi) When an exchange/non degree/joint degree program student goes for study/research work in such an Institution/University with which MNIT does not have formal MOU/agreement for academic collaboration, the evaluation of the work, accounting/transfer of credits earned and other requirements will be governed by clause 5.7(i) to 5.7 (ix) of PG ordinances. On the basis of recommendation of DPGC, SPGB shall consider for approval of the same. Such cases shall need a prior approval of SPGB.</p>

	<p>a non-degree student does not imply that the student will automatically get any waiver from the academic requirements of MNIT.</p> <p>VI. The student after completion of the work, will apply for waiver from requirements of his/her programme at MNIT supported by an official transcript of the grades and report of work obtained and whatever material the DPGC may require for the purpose given in para (vii) below.</p> <p>VII. The concerned DPGC will evaluate the work done by the student and will make recommendations to the SPGB after determining by whatever means it deems fit, the equivalent MNIT courses/ requirements for which the student may be given a waiver.</p> <p>VIII. On the recommendation of the DPGC, the SPGB may allow the waiver for a maximum of 10 credits. Against each requirement for which a waiver is granted, a W would appear on the transcript with an explanatory note that W stands for waiver for work done at the Institution concerned. All such requirements will be deemed to carry zero weight for SGPA/ CGPA calculations.</p> <p>IX. The minimum residence requirement for the students who avails this provision will remain unchanged for Ph.D. students but may be reduced by one semester for M. Tech students, provided they spend at least one semester of 15 weeks duration or two quarters of at least 11 weeks duration each as non-degree students elsewhere with prior permission.</p> <p>X. Those students who are selected by the Institute using a Senate prescribed procedure to proceed on any institutional exchange programme will also have to go through the procedure and rules for the transfer of credits as outlined in paras (vi), (vii), (viii) and (ix) above.</p>	
<p>6.4 Residence outside MNIT</p>	<p>Students registered in the postgraduate programmes may count for residence and credit requirements, research or field work undertaken outside the institute under the supervision of the Institute supervisor(s), if facilities for such work are not available at MNIT. Such cases must be recommended by the DPGC and approved by the SPGB before the student proceeds to the place of assignment.</p>	<p>It is proposed to add following clause: However, the work done at an Institution where MNIT is having academic collaboration, will count for residence and academic requirements automatically.</p>
