<b>Item No. 45-1.1</b>	<p><b>To consider waiver in credit requirements for the award of B.Tech. degree.</b></p> <p>Owing to mismatch in requisite 4 credits for Advanced Elective in VIII semester and students opting for only 3 credit courses, some of the students have not met the requisite credits mandatory for the award of the degree. It is proposed that these students be allowed to graduate as they have completed the requisite number of courses as per the curricular structure.</p> <p>The matter is placed for consideration and approval of the Senate.</p>
