*Item is placed for consideration and approval.*

**Item No. 53-3.4 To consider the Name of Mr. Vishal Kumar (ID No. 2011PST5125) for award of M.Tech. degree in Structural Engineering.**

Mr. Vishal Kumar (ID No. 2011PST5125) was admitted to the M.Tech. Structural Engineering as a full-time student in the academic year 2011-12. His status was converted to a part-time student in the IV Semester (even Semester 2012-13) as a full-time student. He completed the requirements for the award of M.Tech. Degree in V Semester i.e. in two and half years (examination of V Semester held on 27 March 2014) with CGPA of 6.69. Accordingly, he was issued the semester grade sheets of I to V Semester. Due to oversight, his name has not been placed before the Senate for the award of M.Tech Degree till date.

The SPGB, in its 60<sup>th</sup> meeting held on 11<sup>th</sup> December 2023, approved and recommended his name for the award of degree in the 17<sup>th</sup> convocation of the institute.

*Item is placed for consideration.*

**Item No. 53-3.5 To consider the matter of conducting course in hybrid mode due to revision in UG scheme.**

The new UG scheme has been implemented from the academic year 2022-23. Few courses of old scheme have been discontinued in the new scheme while the credits of few courses have been modified. Similarly, few courses have been shifted from odd semester to even semester and vice-versa.

Four 2021 batch students of Dept. of Mechanical Engg. have FA grade in a 4 credit course, which is a core course and was taught in the odd semester as per the old scheme. This course has been modified to a 3 credit course and is being taught in the even semester now. Hence, those four students can register for this course in Even semester 2023-24, which will be their 6<sup>th</sup> semester and therefore, may affect their internship and placement opportunities.

The DUGC, Dept. of Mechanical Engineering has proposed to conduct this course in hybrid mode, which has been recommended by the SUGB also.

*Item is placed for consideration & approval.*

**Item No. 53-3.6 To consider the mercy request of the student Ms. Sakshi Mahajan (2020UEC1647) to rewrite the supplementary examination.**

With reference to ‘mercy policy and mechanism,’ an application from Ms. Sakshi Mahajan (2020UEC1647) was received to rewrite the supplementary examination through program advisors and DUGC of the Department of Electronics and Communications for mercy appeal. The mercy appeal was placed in the 43<sup>rd</sup> meeting of SUGB held on 05<sup>th</sup> December 2023 the recommendation is as follows:

S. No.	Name & ID	Justification of DUGC, if any	Recommendation of DUGC	Justification of SUGB	Recommendation of SUGB
--------	-----------	-------------------------------	------------------------	-----------------------	------------------------

1.	Ms. Sakshi Mahajan (2020UEC1647)	<ol style="list-style-type: none"> <li>1 She is a physically challenged.</li> <li>2 Her CGPA to date is 5.59, with all papers cleared except 'ECT-316: 316 Analog CMOS IC'.</li> <li>3 She appeared in the supplementary examination of the above subject but could not perform well due to fever.</li> <li>4 Due to a backlog, she will not be permitted to appear in any campus placement and will not be allowed till VIII semester examinations</li> <li>5 Considering the present scenario of placement this year, it is very difficult for the student to get a job unless the student gets on-campus placement.</li> </ol>	As a special case, DUGC recommended that she be permitted to appear in another special supplementary examination for the subject 'ECT-316: Analog CMOS IC'.	Not recommended, as creating such a provision will reduce the seriousness of students for supplementary exams. She may register for the course in a regular semester.	Not recommended

*Item is placed for consideration.*

**Item No. 53-3.7 To consider the termination of registration of UG students who failed to earn a minimum of 30 credits for promotion to II semester even after opting for the Year Back option once in I year.**

The following students registered in first year B.Tech. programme in 2021 and failed to earn a minimum of 30 credits for promotion to the second year even after opting the Year Back option once in I year:

S. No.	Student Id	Student Name	Status	Total credit Registered	Total credit Earned
1.	2021UCP1003	AARAV MAKADIA	Not-Promoted	51	21
2.	2021UEC1054	RISHU SHARMA	Not-Promoted	52	16
3.	2021UEC1575	ROHIT SINGH TANWAR	Not-Promoted	52	25

The SUGB in its 43<sup>rd</sup> meeting, recommended the termination of the following students to the Senate as per Office Order no. F.4(P) 35 Senate/MNIT/Acad/2016/1639 dated 15-12-2016 Amendment in the UG Rules and Regulations “*If at the end of the first year after Year Back, the earned credits are less than 30, then the registration will be terminated.*”

*Item is placed for consideration.*

**Item No. 53-3.8: To discuss revision in composition of DREC in PG Rules.**

As per the rule no. 8.1-2, presently the DREC composition is as given below:

The present constitution of DREC is as follows:

- Supervisor, Convener
- Three Experts from within the department related to major area of specialisation (including co-supervisors)
- If required, one expert from outside the department or outside Institute

It is proposed to have a revised composition of DREC as given below:

The DREC shall comprise of at least five members, all having a PhD degree, including:

- Convener, DPGC (or his nominee other than DREC members) as the Chairperson of DREC (Ex-officio)
- Supervisor, as Convener, DREC
- Three Experts, preferably from within the department related to the major area of specialisation, including co-supervisor/ external supervisor, if any. In case there are less than three experts in the area in the department, experts from other departments of the Institute may be included.
- If required, one expert from outside the department or outside the Institute with approval of Chairperson, SPGB.

*Item is placed for consideration.*

**Item No. 53-3.9: To discuss revision in Semester progress evaluation of Ph.D. students in PG Rules.**

Presently the progress evaluation is to be indicated as SSSS, SSSX, SSXX, SXXX and XXXX, whereas, how and when these grades are to be awarded, is not clearly specified in the rules and different Departments/Centres have interpreted it differently.

In order to have transparency and uniformity, it is proposed to have the following scheme:

- All members of DREC will award marks out of 10 to the candidate.
- Chairman DREC will average out the marks and fill the grade as per the following table:

Above 7: SSSS  
 Between 6 and 7: SSSX  
 Between 5 and 6: SSXX  
 Between 4 and 5: SXXX  
 Below 4: XXXX

*Item is placed for consideration.*

**B. Registration Number:** The committee explored the idea of using Aadhaar numbers as universal identifiers for students in the Academic Bank of Credits (ABC) via the National Academic Depository (NAD). This could have streamlined the process and provided consistency across institutions. However, we have received a letter from the Government of India, Ministry of Education, dated August 23, 2023, which stated that printing Aadhaar numbers on provisional certificates and degrees is not allowed.

In light of this development, the committee discuss the issue with the NAD team, who informed us that they are in the process of developing a unique identification system within the framework of the Academic Performance Analysis and Review (APAR) platform.

Considering these factors, the committee is of the opinion that deci the implementation of a unique identifier using Aadhaar numbers. Instead, we will proceed with distributing degrees in the upcoming convocation for the academic session 2023 without including the registration number of the unique ID

### **C English Hindi Names of UG and PG Programmes**

After careful examination of the Item no 49.1.1 where the senate approved names for UG and PG programs to be printed on degrees, along with the assessment done by a language expert committee. We have discussed the issue in depth and also consulted with scientists from the Commission for Scientific and Technical Terminology (CSTT) in Delhi. Our suggestion for the final printing of course names in Hindi and English is as follows: "The English word '**Computer**' shall be written in Hindi as '**कंप्यूटर**,' while the remaining proposed specializations names in Hindi, as recommended by the Language Expert committee, shall be kept unchanged."

\*For Electronics and Communication Engineering if we choose the name as suggested by the Language Expert Committee the departmental boards, signage all will need to be changed. The earlier meeting of Senate had chosen to retain the old name for this reason.

**Note:** The degree shall be printed first in Hindi and then in English. The same pattern shall be followed while writing the designations of signatories viz first in Hindi and then in English

The committee members involved in this recommendation are:

1. Prof. M.P. Poonia
2. Prof. S.P. Chaurasia
3. Prof. Lava Bhargava

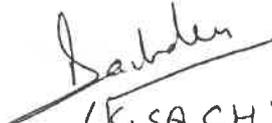

Thanks and Regards

Sincerely Yours

( PROF. M. P. POONIA )

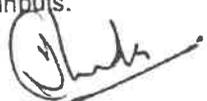

The meeting of committee constituted vide office order No. F6(1) Misc/ MNIT/08/Pl-III/662 dtd. 18/08/2023 was held on Sept. 09, 2023. The meeting was held ONLINE and all members attended the meeting and shared their views on the Agenda items listed as under. Considering the context and keeping the highest commitment to standards of Architectural Education and professional values the members of this committee are in consensus on the points marked as under.

S.No.	AGENDA	Particulars	Recommendation
1	<b>The pass percentage shall not be less than 45% in each subject.</b>	It is pertinent to consider that in Higher education Institutes like NITs, IITs and Universities with high NIRF rankings follow the CREDIT BASED CONTINUOUS EVALUATION SYSTEM in which the students are required to take subjects which are taught by other departments (INSTITUTE ELECTIVES) and the class comprises of a mix of students from different streams where the minimum PASS percentage may not be 45%.	In an Institute/ University the criterion for pass percentage should be uniform for all courses.  Considering the interdisciplinary courses opted by students of different streams, there should be a single criterion for evaluation of all students registered for the course irrespective of their stream.  A relatively higher pass percentage may also add undesirable stress on students of B. Arch.
2	<b>A candidate shall not be permitted to enrol for the Architectural Design course in a semester unless he/she has completed the Architectural Design course of the previous semester.</b>	a. Subjects of ODD Semester cannot be registered in EVEN semester and vice-versa, thus forcing a student who fails in Architectural Design in any ODD semester to effectively fail back by one year and thus increasing the duration to significantly beyond 5 years which is already an year more than their fellow-friends pursuing 4yr B.Tech Programs through same threshold. b. Supplementary examination in every semester unlike the present practice of conducting them only once after the declaration of results of End Term Exam of EVEN SEMESTER. Also they would be required to be completed and their results be declared prior to the date of the registration of next semester.	Considering multiple possible reasons for 'failure due to absence in End Term Exams' the students should be allowed to reappear in a special SUPPLEMENTARY EXAM after each semester. This can be conducted a week before and the results be declared before the date of registration of courses in next semester. This will be applicable only to those courses which are a pre-requisite for registration in corresponding course(s) in subsequent semester(s). This make-up exam option will be admissible only to those students who fulfil the condition of mandatory

   
(K. SACHDEV)

			75% or more attendance in class.
3	. In addition to core faculty, approximately 25% of the teaching load should be allotted to the visiting faculty drawn from the profession.	Share and record practices in place or recommended for adoption in respective institutes/ departments.	Engage atleast one 'VISITING FACULTY' in each of the subjects having Studio Classes on the basis of per hour remuneration approved by the competent authority in the Institute. <b>Co-teaching by Eminent Experts</b> using ONLINE mode for outstation experts and 'OFFLINE' in case of local experts or those visiting the City/ Institute.
4	The viva voce exam conducted as part to end term evaluation for the courses Introduction to Architecture and Basic Design, Architectural Design Courses, and Architectural thesis project shall be evaluated by the panel of internal and external experts.	Share and record practices in place or recommended for adoption in respective institutes/ departments.	VIVA –VOCE exams give exposure to students and help them to learn to communicate with people in profession. External Viva-Voce should always be a part of the subjects as mentioned herein. Internal Faculty members who were associated as co-ordinators or co-teachers for the course may also be included in the process as per policy of Institute/ Department/ Studio-team.
5	Educational tours/ Study tours to be made compulsory and a minimum of three such tours to be undertaken in the entire program.	Share and record practices in place or recommended for adoption in respective institutes/ departments.	Educational tours/ site visits/ study tours, etc. should essentially be included in the curriculum. The short visits for purpose of study/ documentation conducted by the class/ batch should be encouraged and well documented and supported at par with outstation tours.

The meeting ended with vote of thanks to all Members for their participation and valuable inputs.

Regarding Item No.59-5.2 & 5.3, a reminder may be sent to the concerned DPGC conveners to pursue the concerned supervisors and candidates with regard to submission of the revised thesis at the earliest.
Item No. 60-2.0	<b>Items for Consideration.</b>
Item No. 60-3.1	<b>To Consider the proposal of the Department of Electrical Engineering to float a new program elective.</b>  After detailed deliberation, SPGB decided to send the proposal back to the department and suggested that the course objectives and course outcome in relevance to fulfilling the respective Program outcome may also be defined in the proposal, and further, it may be circulated to all faculty members for comments. The agenda may again be taken up in the next SPGB after incorporating the comments from the faculty members, if any.
Item No. 60-3.2	<b>To consider the request of Mr. Vishal Kumar (ID No. 2011PST5125) to provide his M.Tech. degree.</b>  SPGB deliberated and approved the name of Mr. Vishal Kumar and recommended his name for the award of degree in the 17 <sup>th</sup> convocation of the institute.  The SPGB further advised that the DPGC Conveners of all departments are required to check the list of the names of degree recipients very carefully. This is to ensure that all the names of the students who have completed all the requirements for the award of degree are included in the list and to avoid such kinds of omissions in the future.
Item No. 60-3.3	<b>To consider the proposal submitted by the Department of Humanities &amp; Social Sciences to create a New School of Law at MNIT, Jaipur.</b>  The DPGC convener of the Department of Humanities & Social Sciences was absent in the meeting. Therefore, the agenda was discussed in his absence.

MNIT Jaipur | Minutes – 57<sup>th</sup> SPGB | 15<sup>th</sup> May 2023 | 1

	The SPGB observed that the proposal is incomplete in many aspects, such as information about Team members, curriculum details, achievable program outcomes, etc., and therefore decided to send it back to the Department of Humanities & Social Sciences.
Item No. 60-3.4	<b>To Consider the proposal submitted by the Department of Humanities &amp; Social Sciences to start DLitt courses.</b>  The DPGC convener of the Department of Humanities & Social Sciences was absent in the meeting. Therefore, the agenda was discussed in his absence. The SPGB noted that the proposal is incomplete in many aspects and, therefore, decided to send it back to the Department of Humanities and Social Sciences.
Item No. 60-3.5	<b>To review the attendance and monitoring of PG &amp; Ph.D. students.</b>  SPGB, detailed deliberations on the current system of marking attendance by the PG and PhD Scholars and decided that the present system of marking attendance needs improvements. The SPGB approved that the marking of attendance will be for all Full-time PG and Ph.D. Scholars, and the methodology decided is as follows: 1. The students will mark their attendance in either of the two bio-metric machines, one placed at the Prabha Bhawan and another at the Central library as per their proximity. 2. The students' attendance will be downloaded by the Academic Section on a monthly basis. 3. The students' attendance data downloaded from the bio-matric machines will be uploaded in the ERP module, which will appear to the student and supervisor when the student applies for scholarship. 4. The supervisor can update the attendance by giving a reason (if any) while forwarding/recommending for release of the scholarship. 5. The Academic Section will further process the same for the release of the scholarship.
Item No. 60-3.6	<b>To consider the list of the students eligible for award of degree in Ph.D. programs in the forthcoming 17th Convocation.</b>  SPGB approved and recommended the additional list of twenty-three (23) eligible students of the Ph.D. program for the award of degrees for approval of the Senate.  SPGB further authorized the Chairman, SPGB, to recommend names of students who complete the requirements for the award of degree after the meeting of SPGB.
Item No 60-4.0	<b>Reporting Items.</b>
Item No 60-4.1	<b>To report the list of Ph.D. students whose supervisors (Internal/External) are added before the comprehensive examination.</b>  Noted.
Item No 60-4.2	<b>To report the list of Ph.D. students converted from Full-time to Part-time.</b>  Noted.

Item No 60-4.3	<b>To report the list of the Ph.D. students permitted for Semester Withdrawal.</b> Noted.
Item No 60-4.4	<b>To report the list of Ph.D. students permitted for research work in other institutes.</b> Noted.
Item No 60-4.5	<b>To report the list of the Ph.D. students of change of supervisor.</b> Noted.
<b>Item No 60-5.0</b>	<b>Items for Ratification</b>
Item No 60-5.1	<b>To ratify the name of the student member for SPGB.</b> The name of Ms. Silpa Priyadarsini Das, ID No. 2022PWC5409 of the PG program, as a student member of SPGB, was ratified. Regarding the nomination of a student member from a Ph.D. program, the SPGB authorized the Chairman SPGB to select the name of the Ph.D. student on the basis of their credentials and among those who have at least one year for completion of PhD studies in consultation with ADPG.
<b>Item No. 60-6.0</b>	<b>Any other item with the permission of the Chair</b>
Item No.60-6.1	<b>To consider the mercy appeal of Ph.D. student Mr. Shubham Kumar Gupta ID No:2019RCP9049.</b> After detailed deliberation, SPGB did not recommend the mercy appeal of Mr. Shubham Gupta ID No: 2019RCP9049, Ph.D. student of the Computer Engineering department, and decided to send it back to the DPGC of the Computer Science Engineering department for incorporating clear justifications for granting mercy to the student.
Item No.60-6.2	<b>To review the modalities to permit students for Internships.</b> The SPGB was appraised that the students go on Internships in mid of Semester for Six months and sometimes in companies that are not related to their course of study. Many complaints have been received about the unsatisfactory performance of the students in their Internship, as well as requests from DPGC conveners to restart Institute Assistantship on the return of the student. The SPGB discussed the matter and it was decided that the same committee constituted by SUGB for looking into UG Internship matters shall review the modality for the PG Internship, too.

The meeting ended with a vote of thanks to the Chair.

MINUTES OF THE 43<sup>rd</sup> MEETING OF SUGB

43<sup>rd</sup> meeting of SUGB was held on 05<sup>th</sup> December 2023 at 11:00 AM in the NKN-1, Prabha Bhawan.

The following agenda items were discussed and the recommendations are as follows:

<b>Item No. 43-1.0</b>	<b>To confirm the minutes of the 42<sup>nd</sup> meeting of the SUGB held on 18<sup>th</sup> September 2023.</b>  The minutes were confirmed.
<b>Item No. 43-2.0</b>	<b>To note 'Action Taken' on the decisions taken in 42<sup>nd</sup> meeting of SUGB.</b>  Actions taken on the decisions made were noted. Item no.42-4.1 was discussed as a table agenda, separately.
<b>Item No. 43-3.0</b>	<b>Items for Consideration.</b>
<b>Item No. 43-3.1</b>	<b>To consider the list of the students eligible for award of degree in UG programmes in the 17<sup>th</sup> Annual Convocation in addition to the earlier list approved by SUGB.</b>  In addition to 826 students approved in the 42 <sup>nd</sup> SUGB meeting, SUGB recommended the list of 07 eligible students of B.Tech./B. Arch programs for award of degrees, to the Senate. SUGB also authorized the Chairman SUGB to recommend the names of students who complete the requirements for the award of respective degrees after the 43 <sup>rd</sup> meeting of the SUGB, and upto the 17 <sup>th</sup> convocation, if no meeting of SUGB takes place.
<b>Item No. 43-3.2</b>	<b>To consider the matter of the students, who got FA Grade in the 4 Credit course of Engineering Mechanics (MET203) in the odd semester of A/Y 2022-23 as per the old scheme.</b>  The case was discussed at length, the SUGB was of the opinion that such issues will come for the students registered in the old scheme. The SUGB recommended to allow such students to register for equivalent courses of news scheme/NPTEL/SWAYAM course/self-study etc. to complete their degree.
<b>Item No. 43-3.3</b>	<b>To consider the mercy request of the student Ms. Sakshi Mahajan (2020UEC1647) received from the Department of Electronics and Communication to rewrite the supplementary examination in the subject ECT-316: Analog CMOS IC.</b>  SUGB did not recommend the mercy appeal of Ms. Sakshi Mahajan (2020UEC1647). SUGB observed that creating such a provision will reduce the seriousness of students towards supplementary exam, as well as it will increase the burden on the faculty.

Item No. 43-3.4	<p>To consider the matter of year back 2021 batch UG students of MNIT Jaipur who failed to earn a minimum 30 credits for promotion to II semester even after opting the Year Back option once in I year.</p> <p>Clause/para of the UG Regulation reads "<i>If at the end of first year after Year Back, the earned credits are less than 30, then the registration will be terminated.</i>" Accordingly, the SUGB recommended the termination of the following students.</p> <table border="1" data-bbox="411 551 1430 860"> <thead> <tr> <th>S. Item No.43-5.1

**To review the modalities to permit students for Internships.**

The SUGB was appraised that the students go on internships in mid of Semester for Six months and in companies that are not related to their course of study, such as Coaching Centres, etc. The SUGB discussed the matter and made following observations:

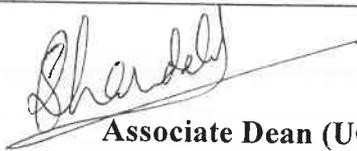

1. The Training and Placement Cell shall send the profile of the company offering internships to the respective Convener DUGC's. The DUGC convener shall communicate that the students will be permitted to join internship with or without credit waiver. This shall be communicated in one day.
2. The students may apply and proceed on internship on or before the closing date of add/drop window and shall also join the institute on or before the closing date of add/drop window of the next semester.
3. The Minimum duration of a semester-long internship shall be 14 weeks.
4. The Departments may assign internal supervisor to the student (s) going for internships. The internal supervisor shall coordinate with the company and monitor the progress of the student (s).
5. If a student takes summer training and internship in the same company/organization, then the company/organization shall issue separate certificates for the summer training and internship.

The SUGB constituted a committee of the following members to decide the implementation of the above modalities:

1. Professor in charge, Training and Placement or his representative
2. Dr. Harlal Mali, Convener DUGC, Department of Mechanical
3. Dr. Kuldeep Singh, Convener DUGC, Department of Electronics and Communication
4. Associate Dean (PG)

37-3.2 To consider the request of Ph.D. students Ankush Koli (2021REE9533) and Yogita (2019RPY9105) for reconsideration of his/her one-day assistantship/scholarship deduction, due to absence from Invigilation duties.

Following Ph.D. scholars have requested to reconsider/not deduct his/her one-day assistantship/scholarship due to absence from invigilation duties:

S.No.	Name & ID	Reason of absence	Decision
A.	Ankush Koli (2021REE9533)	Ankush Koli (2021REE9533) was assigned duty as invigilator on 09.06.2023 (Time-09:00 to 11:00 AM) and the exam was conducted in VLTC. He was absent from invigilation duty due to the paper presentation at the International Conference on Computer, Electronics, and Electrical Engineering and Their Applications (IC2E3-2023) held at the National Institute of Technology, Uttarakhand. His paper Presentation was scheduled on the same day (i.e. 09.06.2023) when he was absent on examination duty.	The request of Ankush Koli (2021REE9533) was not admitted. He should have arranged his substitute and should have informed properly in time, immediately after receiving information about invigilation duty.
B.	Yogita (2019RPY9105)	Yogita (2019RPY9105) was assigned duty as an invigilator on 28 April, 2023. As per her email, she was suffering from a severe COVID infection with a fever of 104 degrees, shortness of breath and fatigue was extreme, for that, she had to leave the Institute for home in an emergency as well.  The matter of Yogita (2019RPY9105) was earlier placed before the 35 <sup>th</sup> AAC meeting under item no.35-1.1 and decided to deduct the scholarship according to	The AAC considered the COVID positive certificate of the student and accepted the request of Yogita (2019RPY9105). The deducted amount should be remitted to her.

37-3.3	<b>To consider the Academic Calendar of Even Semester 2023-24.</b>		
	AAC discussed the Academic Calendar for the even semester 2023-24 and finalized it.		
37-3.4	<b>To consider the matter of Mr. Harshvardhan Singh (2022UCE1658) for II semester withdrawal.</b>		
	AAC discussed and accepted the II semester withdrawal of Mr. Harshvardhan Singh (2022UCE1658).		
37-3.5	<b>To consider the matter of Discipline grades.</b>		
	AAC discussed the matter and decided that in case of UG students who are awarded 'X' grade in 'discipline', should not be required to register for converting 'X' to 'S'. There is no necessity that he should clear the same after getting it converted to 'S' as the act of indiscipline cannot be undone at future time. The language of character certificate should also be modified for such students.

### Minutes of 38<sup>th</sup> Meeting of Academic Affairs Committee (AAC)

The 38<sup>th</sup> Academic Affairs Committee (AAC) meeting was held on 21 December 2023, at 04:30 PM in the Committee Room near the Dean's office, Prabha Bhawan. The following members attended the meeting:

1. Prof. Jyotirmay Mathur (Dean, Academics)
2. Prof Rajeev Shringi (Chairman, SUGB)
3. Prof. Suja George (Associate Dean PG & Ph. D)
4. Prof. Sumit Khandelwal (Associate Dean UG)

Item No.	Particular
38-1.1	<p>To confirm the minutes of the 37<sup>th</sup> meeting of the AAC held on 01 November 2023.</p> <p>The AAC confirmed the minutes of the 37<sup>th</sup> meeting of the AAC held on 01 November 2023.</p>
38-2.1	<p>To note the "Action Taken" on the decisions made in the 37<sup>th</sup> meeting of the AAC.</p> <p>The AAC noted the action taken report on the decision taken in its 37<sup>th</sup> meeting and directed that the minutes of AAC are already approved by the Chairman Senate, and action may be taken after the approval.</p>
38-3.0	Items for Consideration.
38-3.1	<p>To consider the matter regarding the burning of answer sheets of the Mid Term Examination VII Semester B.Tech. Open Elective course "Solar Energy and Physics of Photovoltaics" (Course Code: PHT401).</p> <p>The Committee approved the proposal that the grades of the Open Elective course titled "Solar Energy and Physics of Photovoltaics" (Course Code: PHT401) for the VII Semester may be awarded on the basis of the evaluation of CWS and ETE components only and the weightage of CWS and ETE components may be kept as 30% and 70%, respectively.</p>

38-3.2	<p><b>To consider the nomination of the Ph.D. student member for SPGB.</b></p> <p>As the matter was already considered in the 60th SPGB meeting of SPGB, the item may be withdrawn.</p>																								
38-3.3	<p><b>To ratify to run/offer the course for less than the minimum required students as a special measure due to the revision of the UG Scheme.</b></p> <p>The following courses of the Department of Chemical Engineering were offered in the odd semester for the backlog students</p> <table border="1" data-bbox="462 504 774 1780"> <thead> <tr> <th>Course Code</th> <th>Course Name</th> <th>Grade</th> <th>L T P S</th> <th>Semester</th> <th>Number of students</th> </tr> </thead> <tbody> <tr> <td>CHT217</td> <td>Simulation Lab</td> <td>FP</td> <td>0 0 3 0</td> <td>3</td> <td>3</td> </tr> <tr> <td>CHT306</td> <td>Mathematical Methods in Chemical Engineering</td> <td>FP</td> <td>3 0 0 0</td> <td>6</td> <td>6</td> </tr> <tr> <td>CHP318</td> <td>Process Engineering and Plant Design lab</td> <td>FP</td> <td>0 0 3 0</td> <td>6</td> <td>1</td> </tr> </tbody> </table> <p>The decision was ratified.</p>	Course Code	Course Name	Grade	L T P S	Semester	Number of students	CHT217	Simulation Lab	FP	0 0 3 0	3	3	CHT306	Mathematical Methods in Chemical Engineering	FP	3 0 0 0	6	6	CHP318	Process Engineering and Plant Design lab	FP	0 0 3 0	6	1

38-3.4	<p><b>To consider the matter of Mr. Harshvardhan Singh (2022UCE1658) for II semester withdrawal.</b></p> <p>In the 37<sup>th</sup> meeting, the AAC accepted the II semester withdrawal of Mr. Harshvardhan Singh (2022UCE1658).</p> <p>While implementing the decision of the AAC, it was observed that Mr. Harshvardhan Singh had appeared in all the courses of the second semester and his grades had already been declared before he had submitted his application for semester withdrawal. Hence, he was not eligible to take semester withdrawal.</p> <p>The status was placed before the AAC during the Action Taken Report and the AAC reconsidered the decision. It was decided that withdrawal of the even semester 2022-23 should not be allowed and the grades awarded should be considered.</p> <p>This decision leads to the status of the student as an year back student due to earning less than 30 credits in Academic year 2022-23. However, due to various reasons related to procedural and documentation requirements, he could not be intimated about the year back status and hence may be permitted to withdraw from the odd semester of session 2023-24 and also he shall</p>

**Minutes of Unfair Means Committee Meeting held on November 01, 2023**

A meeting of the Unfair Means Committee was held on November 01, 2023 at 04:00 PM in committee room, near the Deans office, Prabha Bhawan. The meeting was attended by the following members:

1.	Prof. Jyotirmay Mathur	Dean, Academic
2.	Prof. Dilip Sharma	Chairman SPGB
3.	Prof. Lava Bhargav	HOD, Department of Electronic & Communication Engineering
4.	Dr. Sumit Khandelwal	Associate Dean (UG), Senate Nominee
5.	Dr. Kuldeep Singh	DUGC Convenor, Department of Electronic & Communication Engineering
6.	Dr. Jyotirmay Kar	Assistant Professor Metallurgical & Materials Engineering
7.	Dr. Monica Sharma	Associate Prof. Department of Management Studies

Following agenda items were discussed:

<b>Item No. 1.0</b>	<b>To confirm the minutes of the Unfair Means Committee meeting dated 17.8.2023.</b> The minutes of the Unfair Means Committee meeting dated 17.8.2023 were confirmed.
<b>Item No. 2.0</b>	<b>To Note the "Action Taken" on the decisions taken in the Unfair Means Committee meeting dated 17.8.2023.</b> The Unfair Means Committee meeting noted the action taken report on the decisions taken on 17.8.2023.
<b>Item No. 3.0</b>	<b>Items for Consideration.</b>
<b>Item No. 3.1</b>	<b>To discuss the unfair means cases reported in the Mid-term Examinations odd semester 2023-24.</b>

Few unfair means cases were reported in the Mid-term examinations held from 16<sup>th</sup> to 24<sup>th</sup> September 2023, and forwarded by the concerned course coordinator/invigilator/flying squads to the Unfair Means Committee. All the students indulged in unfair means were called before the committee to present their case before the committee. Arjun Suren (2023UCE1961) and Ms. Drishti (2020UCE1582) made their submission before the committee and Agarwal Dhruv Ravi Kumar (2023UEC2031) did not report. The committee discussed the cases individually and resolution/recommendations of the committee are as follows:

S. No	Name of the student	Course details	Examination	Decision
1	Arjun Suren (2023UCE1961)	22PHT101 (Classical Physics)	1 <sup>st</sup> Semester Mid-Term Examinations 2023-24	The Mid Term Examination of 22PHT101 (Classical Physics) stands cancelled and the student Arjun Suren will be awarded 'FP' grade in this course. The student will also be awarded Zero (0) marks in Mid Term examination of all the courses registered in the odd Semester of session 2023-24.
2	Agarwal Dhruv Ravi Kumar (2023 UEC2031)	22ECT109 (Circuits and Networks)	1 <sup>st</sup> Semester Mid-Term Examinations 2023-24	The Mid-term examination of 22ECT109 (Circuits and Networks) stands cancelled and the student will be awarded 'FP' grade in this course.
3	Drishti (2020UCE1582)	21BMT801 (Entrepreneurship Development)	7 <sup>th</sup> Semester Mid-Term Examinations 2023-24	The Mid Term Examination of 21BMT801 (Entrepreneurship Development) stands cancelled and the student Drishti will be awarded 'FP' grade in this course. The student will also be awarded Zero (0) marks in Mid Term examination of all the courses registered in the odd Semester of session 2023-24

It was decided that the information regarding indulging in unfair means by the students should be communicated to their parents. It was also decided that any such repeat offense by these students shall attract severe penalties which may range up to expulsion (limit period/permanent) of the students from the Institute. Further, the decision of the committee will be communicated to all the students of the Institute.

The meeting was concluded with thanks to the chair.

## Office of Dean Academic

### Minutes of Unfair Means Committee Meeting held on December 21, 2023

The meeting of the Unfair Means Committee was held on December 21, 2023, at 04:00 PM in the committee room near the Dean's office, Prabha Bhawan. The meeting was attended by the following members:

1.	Prof. Jyotirmay Mathur	Dean, Academic
2.	Prof. Rajeev Shringi	Chairman SUGB
3.	Prof. Suja George	Associate Dean (PG& Ph. D)
4.	Prof. Jyoti Joshi	HoD Chemistry
5.	Prof. Kanupriya Sachdev	HoD Physics
6.	Prof. Sumit Khandelwal	Associate Dean (UG)

The following agenda items were discussed:

**Item No. 1.0 To confirm the minutes of the Unfair Means Committee meeting dated 01.11.2023.**

The minutes of the Unfair Means Committee meeting dated 01.11.2023 were confirmed.

**Item No. 2.0 To note the "Action Taken" on the decisions made in the Unfair Means Committee meeting dated 01.11.2023.**

The Unfair Means Committee noted the action taken report on the decisions taken on 01.11.2023.

**Item No. 3.0 *Items for Consideration.***

**Item No. 3.1 To discuss the unfair means cases reported in the End-term Examinations Even semester 2023-24.**

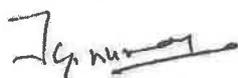

The unfair means cases reported in the End-term examinations held from 20<sup>th</sup> November 2023 to 12<sup>th</sup> December 2023, and forwarded by the concerned course coordinator/invigilator/flying squads to the Unfair Means Committee were discussed.

All the students who indulged in unfair means were called before the committee to present their cases before the committee. Ms. Radhika Choudhary (2021UCH1659) and Rohan Meena (2022UMT1402) were present in person, and Manan Jain (2023UCH1461), Anurag Biswal (2023UEE1061) and Dhruv Jain (2023UEE1042) were available on call. The committee discussed the cases individually, and the following resolution/recommendations were taken:

S. No	Name of the student	Course details	Examination	Decision
1	Anurag Biswal (2023UEE1061)	22CYT101 (Engineering Chemistry)	1 <sup>st</sup> Semester End-Term Examinations 2023-24	The End-term of the 22CYT101 (Engineering Chemistry) examination stands cancelled, and the student will be awarded an 'FP' grade in this course.
2	Dhruv Jain (2023UEE104)	22CYT101 (Engineering Chemistry)	1 <sup>st</sup> Semester End-Term Examinations 2023-24	The End-term of 22CYT101 (Engineering Chemistry) examination stands cancelled, and the student will be awarded an 'FP' grade in this subject
3	Ms. Radhika Choudhary (2021UCH1659)	CHT305 (Optimization of Chemical Process)	5 <sup>th</sup> Semester End-Term Examinations 2023-24	The End-term CHT305 (Optimization of Chemical Process) examination stands cancelled, and the student will be awarded an 'FP' grade in this subject.
4	Manan Jain (2023UCH1461)	22 PHT101 (Classical Physics)	1 <sup>st</sup> Semester End-Term Examinations 2023-24	The End-term of the 22 PHT101 (Classical Physics) examination stands cancelled, and the student will be awarded an 'FP' grade in this subject.
5	Rohan Meena (2022UMT1402)	22MTT102 (Fuels, Furnaces & Refractories)	03 <sup>rd</sup> Semester End-Term Examinations 2023-24	The End Term of the examination, all the courses stand cancelled, and the student will be awarded an 'FP' grade in all subjects.

It was decided that the students' information regarding indulging in unfair means should be communicated to their parents. It was also decided that any such repeat offence by these students shall attract severe penalties, which may range up to expulsion (limit period/permanent) of the students from the Institute. ### Table Agenda (53<sup>rd</sup> Senate Meeting)

<p><b>Item No. 53 -6.1</b></p>	<p><b>To consider the proposals for the conversion of two Centers of the institute to Department</b></p> <p>Proposals have been received from the Center for Energy and Environment and the National Center for Disaster Mitigation and Management to convert their status from Center to Department.</p> <p>The proposals received from Centers is attached as Annexure TA-1</p> <p><i>Item is placed for consideration and directions.</i></p>
<p><b>Item No. 53 -6.2</b></p>	<p><b>To introduce a course on Human Values and Professional Ethics for all UG students</b></p> <p>Ethics protects and nurtures humanity as we live in relationships with others, namely in a relationship of mutual giving and receiving. Therefore, recognition of our dependence on others and caring for others is essential. Ethics enables a student to use specific capacities and skills to make moral decisions. Students should develop, demonstrate, and act out their ethical abilities. Though ethics and values cannot be limited to one subject or a set of subjects, they enable us to overcome prejudice, discrimination, and other unethical practices and attitudes.</p> <p>NEP 2020 has also identified ethics and human and constitutional values as one of the fundamental principles that will guide the education system at large and individual institutions.</p> <p>It is proposed to introduce a course on Human Values and Professional Ethics as a non-graded course for all UG students.</p> <p><i>Item is placed for consideration and approval.</i></p>
<p><b>Item No. 53 -6.3</b></p>	<p><b>To consider the institution of the Institute internship Program</b></p> <p>There has been an increasing trend of students joining internships in industry while pursuing their UG degree. The students benefit from the hands-on working and problem-solving experience that they get while on internship. This also helps in increasing their employability. On the other hand, there has been a continuous reduction in the number of applications for admission to the Ph.D. program at our Institute.</p> <p>To address this challenge, it is proposed to start an internship program at the institute level. The internship program will be open to UG students from all institutes of the country. The internship under this program can be one semester initially, and later, these can be one semester as well as two semesters long. Students will be allowed to join this internship in their final year and be permitted a token stipend during the internship. They will also be provided hostel accommodation (on a payment basis) and will be permitted to use institute facilities. Preference will be given to the students of the V/VI semester. Such students can be encouraged to join the MTech/PhD program after completion of their UG degree. At the successful completion of the internship, a certificate from the institute with the name of the intern and mentor, signed by Dean, R and C, will be issued.</p> <p>Following minimum CGPA criterion is proposed to be applicable:</p> <p>CGPA &gt; 7.5 for IITs/IISc.</p> <p>CGPA &gt; 8.0 for NITs/ IISERS/ NISER/IIEST/UM-DAECBS.</p> <p>CGPA &gt; 8.5 for students of other institutes.</p> <p><i>Item is placed for consideration and approval.</i></p>

## Short two-page summary of proposal for renaming of Centre for Energy and Environment to Department of Energy and Environment

### Justification and need of the initiative →

1. **Establishment:** The Centre for Energy and Environment (CEE) was established 12 years ago as a multidisciplinary platform for renewable energy and sustainable technologies.
2. **Collaborative beginnings and way forward:** Initially, CEE served as a collaborative platform, bringing together adjunct faculties from diverse departments, emphasizing an interdisciplinary approach. Later, in the year 2015 and 2019 CEE added 6 faculty members with diverse background.
3. **MTech Program Launch:** Right from its first year, CEE launched an MTech program in Renewable Energy, known for its strong job placement record and research opportunities.
4. **NBA Accreditation:** In 2022, the centre's MTech program in Renewable Energy received NBA accreditation for the maximum duration of six years due to its excellent performance.
5. **Securing Research Projects:** CEE has been successful in securing 42 externally funded research projects, demonstrating its excellence in multidisciplinary research. **However, we missed FIST because we are not a department.**
6. **Relevant publications by 8 team members in past 3 years → 142 Journal papers**
7. **Comparison with IITs:** Other premier institutions like IITs have transitioned their renewable energy centers into full-fledged departments, enhancing visibility and attractiveness.
8. **Strategic Transition:** The transition from a center to a department could amplify CEE's impact, increase visibility, and solidify its position as a leader in renewable energy and sustainable technologies.
9. **In short:** CEE will flourish more as a department because
  - a. It will have more visibility.
  - b. It will attract more industry oriented externally funded project.
  - c. It will attract more meritorious students in its PG and PhD programs.

## Supplementary Agenda Item

### for consideration at the 53<sup>rd</sup> Meeting of the Senate of MNIT Jaipur:

#### Renaming the *National Centre for Disaster Mitigation and Management* as **Department of Earthquake Engineering**

---

### 1. Urgency

The following are the salient reasons for taking up the agenda item for discussion of the Senate of MNIT Jaipur. The *urgency of the matter* is explained as under.

- (1) The process must be completed before the announcement of *M.Tech. admission* by the *Centralized Counselling for M.Tech. Admissions (CCMT 2024)* so that potential candidates can apply for the re-launched *Masters' Program*, namely *M. Tech. (Earthquake Engineering) with specialisation in Earthquake Resistant Design*; and
- (2) The timely action will also help in inviting new admission in the *Sponsored Candidates category* in the *Masters' Program*, namely, *M. Tech. (Earthquake Engineering) with specialisation in Dam Safety*. To facilitate this a *letter* should go to the *Major Dam Owners* across the country through *National Dam Safety Authority*, Ministry of Jal Shakti, Government of India, for seeking admission in the program under the sponsored category, this has become very relevant after *The Dam Safety Act, 2021*.

This request is being made as per the relevant provisions of the First Statutes of NITs.

### 2. Relevant Provisions of the First Statutes of the NITs

The following are the relevant provisions of the Statutes of MNIT Jaipur:

- (1) *Statute No. 2 (1): Definitions*
  - (d) "Centre" in relation to an Institute means an academic unit of the Institute engaged in academic activities (like teaching, research, etc.) generally of an inter-disciplinary nature.
  - (e) "Centre" in relation to an Institute means an academic unit of the Institute engaged in academic activities (like teaching, research, etc.).
- (2) *Statute No. 8: Powers of the Senate*
  - (xii) make recommendations to the Board with regard to the *creation or restructuring* of Departments or Programmes or Centres and the abolition of existing Departments or centres thereof.

### 3. Background

The *National Centre for Disaster Mitigation and Management* was created in the 27<sup>th</sup> Meeting of the *Board of Governors* of MNIT Jaipur (held on 7<sup>th</sup> October 2013, Item No. 27-4.2). The Centre has been running *M.Tech. (Earthquake Engineering)* since 2015 and produced 10 Doctoral Thesis in the domain of Earthquake Engineering. Currently, there are 7 registered doctoral students. And, the Centre has *two* Faculty Members appointed directly under the Centre and *two* Faculty Members are attached to the Centre from the *Department of Civil Engineering*, with background in *Earthquake Engineering*.

The Centre has following activities within its ambit:

- (1) *National Earthquake Testing Facility (NETF)* is a state-of-the-art facility engaged with industry partners, for *Qualification, Certification and Development* of new and emerging technologies for evaluating earthquake performance of buildings and bridges through *full-scale testing*, particularly the *mass housing* in India. Currently:
  - (a) *M/s B. G. Shirke Constructions Private Limited, Pune*, has made a significant pledge to

the Institute towards establishing the long-term R&D initiatives in the domain of earthquake safety of building including full-scale testing. A few other companies are approaching to engage with the NETF for full-scale testing.

- (b) The *Ministry of Steel*, Government of India, jointly with the *Ministry of Urban Affairs*, Government of India, has funded a project for *Technology Development for Promotion of Steel in Construction for Mass Housing* under Pradhan Mantri Housing Yojana. Five major steel manufacturers, namely, Tata Steel, SAIL, JSW, JSPL and AM&NS are co-funders of this Project (*Financial Outlay: Rs. 4.5 Crores*).
- (2) *National Centre for Earthquake Safety of Dams (NCESD)* is a flagship project of the *Ministry of Jal Shakti*, Government of India, for effective implementation of *The Dam Safety Act, 2021*. (*Financial Outlay: Rs. 30.0 Crores*).
- (3) *Development of earthquake safety standards* is a major effort underway of the Centre in collaboration with the *Earthquake Engineering Sectional Committee CED39* of the *Bureau of Indian Standards*, Government of India, New Delhi. The standards published and under preparation are:
  - (a) *Earthquake Resistant Design & Detailing of Base-Isolated Buildings*,
  - (b) *Earthquake Testing of Structures*, and
  - (c) *Earthquake Hazard, Earthquake Resistant Design & Detailing, and Earthquake Safety Assessment & Retrofit of Dams and Embankments*.

#### 4. Salient Reasons for Renaming

The reasons for this fall in three broad categories.

- (1) The focus of the activities of the NCDMM largely has been in the domain of *earthquake safety* of the built environment, in all three aspects, namely *teaching, research* and *national development*. So, suitably naming the *Academic Unit* as *Department of Earthquake Engineering* is more appropriate, relevant and justifiable. By renaming, the Centre will be able to attract more:
  - (a) Competent applicants for Faculty Positions, and
  - (b) Academically bright *Masters* and *Doctoral* students and *Post-Doctoral Fellows*.
- (2) The Centre has been actively engaged with industry in a significant manner for *technology, qualification, certification* and *development for earthquake safety*. Hence, it is even more appropriate that the name should highlight the focus of the activities.
- (3) The Centre is in active and continuous engagement with Government and Private Sectors in the domain of *earthquake safety* and *resilient infrastructure*.

The activities of the Centre center solely in the domain of *Earthquake Engineering*. So far, the Centre has been successful in getting significant financial support from Government and Private Sectors.

Further, the Centre is planning to re-launch the *M.Tech. (Earthquake Engineering) Program* with two *Minor Specialisations*, namely:

- (a) *Earthquake Dam Safety*, specifically targeted to dam engineers, which has become extremely relevant in the aftermath of the *Dam Safety Act, 2021*, and is the expectation of the *Ministry of Jal Shakti, Government of India*, as articulated in the road map of the *National Centre for Earthquake Safety of Dams* established at MNIT Jaipur, and
- (b) *Earthquake Resistant Design of Structures*, which is extremely relevant in the context of over 60% of India's landmass and its population under the exposure to moderate to severe earthquake hazard.
