1.Introduction

"**MNIT GOT'S LATENT**" was an exciting, funny and intellectually stimulating event organized by the Debate Club as a part of our annual cultural fest. The event aimed to provide a platform for people to showcase their talent and present their skills. Participants engaged in intense participation on various skills, making the event a thought-provoking experience for both participant and the judges.

Theme of the Event:

The theme of this year's event was "**Self Discovery and Introspection**".In this event participants give a score to themselves before performing it on stage and if the score matches with the judge's score, the participant would be the winner. This theme was chosen to encourage participants to explore themselves.

Target audience: MNIT's students and people who come from outside the college to attend the fest.

2.Event Highlights:

Participation

The event saw enthusiastic participation from students and across different colleges. A total of 25 participants registered for the event. The audience turnout was impressive, with over 200 attendees actively engaging with the participants. The diversity of perspectives presented by participants added depth and variety to the discussions, making the event a rich learning experience for all.

Event duration: The event was conducted offline, starting at 1:00 pm and concluding successfully by 5:00 pm.

3. Feedback and Suggestions

The event received an overwhelmingly positive response from participants, judges, and the audience. Key highlights from the feedback include:

- **Well-Structured:** The format and structure of the event were praised for allowing a fair and competitive discussion.
- **Judging Panel:** The panel of esteemed judges, consisting of senior students and experienced judges, provided insightful feedback and constructive criticism.
- **Audience Engagement:** The audience actively participated through involvement in the event making the event more dynamic.

However, a few suggestions for improvement were noted:

- **Time Management:** Some rounds exceeded the allotted time, and stricter timekeeping could enhance efficiency.
- **Bigger Venue:** A larger space could accommodate a greater audience and provide better acoustics.

4. Conclusion

"MNIT GOT'S LATENT" successfully created an environment where talented people could express their skills confidently and engage in meaningful discussions. The Debate Club's efforts in organizing such a well-executed event were highly appreciated. Implementing the suggested improvements in the future will further elevate the experience, making it even more impactful.
