- (c) Soft copy of Synopsis has been e-mailed to doa.exam@mnit.ac.in and one hard copy of synopsis is enclosed along with the copy of publications.

Signature of Supervisor(s)
Date:

Dean (Academic)

Guidelines

1. *The length of a synopsis should be 5-20 pages including tables and figures in place. Synopsis should be on A4 size paper in one and half line spacing. Only one copy of synopsis is required to be submitted. Soft copy should be e-mailed to doa.exam.mnit@gmail.com and doa.exam@mnit.ac.in.*
2. *The synopsis should clearly list the contributions of the candidate which have led to advancement of knowledge in the field of investigation carried out by him.*
3. *In order to fully appropriate the candidate's contribution, it is necessary to put it in proper context. It is, therefore, recommended that the synopsis should contain a brief account of the existing knowledge and the inadequacy or gap in this knowledge that led the candidate to the formulation of the problem of his investigation. A few references needed in this respect should be included.*
4. *The synopsis should not contain subtitles like Introduction, Experimental results, Conclusion, etc. The brevity of the report leaves no scope for such a subdivision.*
5. *A uniform title-page for the synopsis may be adopted. One example is given ahead.*

SYNOPSIS of the Ph.D. thesis entitled

<Neural Network based approach for Power Systems Security>

Submitted by
