## **Manthan/Debate competition on "Tribal development and welfare and protection of environment."**

On November 30<sup>th</sup>, 2023, Think India club of MNIT Jaipur organised a Manthan/debate competition on the topic "Tribal Development and Welfare, and Protection of the Environment." The event took place from 5:30 pm onwards in Malaviya Sabhagaar, Prabha Bhawan, MNIT Jaipur. The competition was open to students of UG, PG and PhD.

The purpose of the debate competition was to provide a platform for students to acknowledge the contributions of tribal communities in national history and culture, and to motivate future generations to protect our cultural heritage and national pride.

Mrs. Urmimala Naha, the judge of the event, was felicitated with a sapling by the faculty coordinators of the event. Each participant presented their views on tribal development and welfare, as well as the protection of the environment. The audience applauded the participants with cheers and claps.

The faculty advisors of Think India Club, Dr. Rameshwar J. Vishwakarma and Dr. Anubha Jindal, and Coordinator, MoE Flagship Programs, Dr. Swati Sharma were present in the event.

Students of UG, PG and PhD participated in the event with great enthusiasm. The winners of the competition were Ishan Arora (1<sup>st</sup> position), Aman Pathak (2<sup>nd</sup> position), and Ashish Kumar Meena (3<sup>rd</sup> position). The judge of the event announced the winners, and prizes were given to them. Judge of the event Mrs. Urmimala Naha shared their experience about the tribal development and welfare with the audience.

Dr. Rameshwar Vishwakarma concluded the event by giving a heartfelt vote of thanks to everyone involved, including the judge, professors, participants and attendees.

Refreshments were provided at the end of the event.
