Type Racer Event Report

Department of CSE - Sphinx 24

🏆 Event Overview

The **Type Racer** competition was a high-speed typing challenge where participants showcased their typing skills to achieve the highest **Words Per Minute (WPM)** while maintaining accuracy. Hosted on **MonkeyType**, the event provided an engaging platform for participants to test their speed and precision in a competitive environment.

⚙️ Competition Details

- **Platform:** MonkeyType
- **Event Format:**
  - Two categories: **Mobile** and **Desktop**
  - Each category featured **3 rounds** with different text passages to measure speed and accuracy.
- **Time Limit:** Each typing session lasted a minute and final scores were adjusted for accuracy
- **Equipment:** Participants used their own laptops or mobile phones to compete

General Rules:

- This was an **individual event** with participants judged based on:
  - **Words per Minute (WPM)**
  - **Accuracy:** Mistyped words resulted in penalties that reduced the final WPM.
- Use of external typing tools was strictly prohibited

📊 Participation

- **Total Registrations:** 140 participants registered for the event.
- **On site Participation:** A strong turnout of 23 participants competed on site ensuring an exciting and closely contested event.

⚔ Winners

- **Desktop Category:**

Name	ID	Phone Number	Place
Pratham Tharwani	2021ucp1001	+91 77200 49435	1st Place
Devihasya Shukla	2024uch1151	+91 72050 86443	2nd Place
Sanidhya Gupta	2021ucp1258	+91 79765 65471	3rd Place

- **Mobile Category:**

Name	ID	Phone Number	Place
Kashvi Gupta	2023ucp1581	+91 87676 25732	1st Place
Vaibhav Garg	2023ucp1659	+91 86969 11516	2nd Place
Pratham Tharwani	2021ucp1001	+91 77200 49435	3rd Place

🎊 Conclusion

The **Type Racer** competition was a resounding success, bringing together typing enthusiasts to showcase their speed and accuracy. The event maintained a competitive yet fun atmosphere, with participants delivering impressive performances across both the mobile and desktop categories.
