

# UNNAT BHARAT ABHIYAN ,MNIT Jaipur

## REPORT

Jirrota Village ( 11<sup>th</sup> Sept 2019)

Unnat Bharat Abhiyan (UBA), MNIT Jaipur has organized a visit to Jirrota village on 11th Sept. 2019. The objective of this visit was to survey the renovation work and to discuss the remaining problems of the village school.

3 students of UBA team along with the faculties Dr. Mushtaq Ahmed, Dr. Namita Mittal and Dr. Arka Prokash Mazumdar visited the school for the survey. The Aaganwadi has been renovated and colored and given a LED for the digital learning of the students with the support of 'Vedanta' (an NGO). The school building has been colored. The ground of the school is being covered with good quality tiles. A water purification system has been installed in the school with the help of 'Piramal Sarvajal Foundation', so that the students can get rid of diseases due to high fluoride water. Then the team discussed the remaining problems of the school and got to know that there was no electricity connection in the school. Due to this, students have to suffer from many problems in the summer. The faculties of the UBA team talked with the authorities to solve this problem and waiting for a positive response from their side.
