Report on Poster-Making Competition on “World Environment’s Day”

June 03, 2023 (Wednesday)

On June 3, 2023, we organized a poster-making competition in honor of World Environment Day. The objective of the competition was to raise awareness about environmental issues and encourage artistic expression among participants. We are pleased to announce the winners of the competition, who demonstrated exceptional creativity and dedication in conveying the importance of environmental preservation through their artwork.

Competition Winners: After careful evaluation of the entries by our esteemed panel of judges, the following participants emerged as the winners:

1st Place: Tisha Sharma

2nd Place: Nitesh Rathore

3rd Place: Geetanjali Gupta

4th Place: Jai Kumar

Acknowledgments: We extend our heartfelt congratulations to all the winners for their outstanding contributions and dedication to promoting environmental awareness through art. Their artwork not only inspired and educated viewers but also sparked conversations about the urgent need for environmental conservation.

We would also like to express our gratitude to all the participants who enthusiastically took part in the competition. Your passion and creativity in addressing environmental issues are commendable.

Conclusion: The World Environment Day poster-making competition was a tremendous success, thanks to the contestants' enthusiastic participation and remarkable artistic talent. The winning posters, created by Tisha Sharma, Nitesh Rathore, Geetanjali Gupta, and Jai Kumar, effectively conveyed the importance of environmental preservation and inspired viewers to take action.

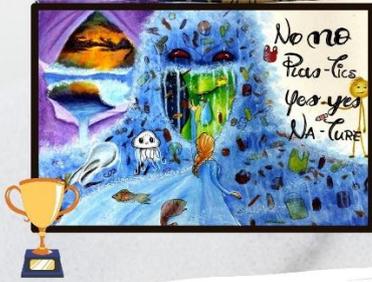

We hope that this competition has raised awareness about the pressing environmental challenges we face and encouraged individuals to make a positive impact on the world around them.

Thank you to everyone involved in making this competition a memorable event, and we look forward to organizing more such initiatives in the future.
